Lawn Seed Prices

from

NORTHRUP, KING & CO.

Seedsman Since 1884

Minneapolis 13, Minn.

Every Home Owner Wants A Nice Lawn

**Sterling Lawn Seed Is The Ideal
Item To Satisfy His Wants And Make
A Good Profit for You**

**NOW
Is The Best
Time to Sell
It**

The big urge for planting is in the spring—and the demand for lawn seed follows this trend—but lawn seed can be planted with satisfactory results in this area up to September 10th or 15th. Be prepared to supply your district's needs for lawn seed.

The Man of the Hour

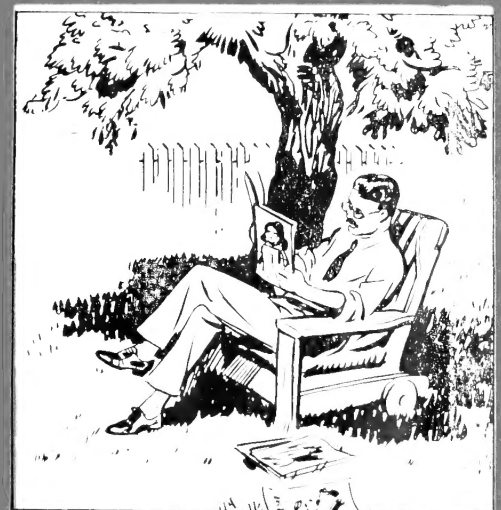

**For
Building New
or Repairing Old
Lawns**

In the complete line of Northrup, King & Co.'s Lawn Seed there is a mixture or variety just suited to every home owner's needs. This year, with all the new lawns for new "GI" homes and others and the repairing necessary to old lawns, lawn seed will be in great demand.

STERLING LAWN SEED

**builds beautiful,
permanent lawns
with
economy**

When you sell Sterling Lawn Seed you sell satisfaction. Sixty years of seed blending experience are behind it and its reputation must be maintained.

Although Supplies Of Kentucky Blue Grass Are Less Than Half Of Normal Needs, There Will Be No Change In The Formula Of Sterling Lawn Seed And Other Northrup, King & Co. Grass Mixtures

Wholesale prices for dealers only. For prompt shipment for fall trade and for shipment until March 1, 1947. Prices subject to change without notice, F. O. B. Minneapolis, except prices are prepaid in quantities of 100 pounds or more in single shipments.

STERLING LAWN SEED

Our Premier Mixture

Sterling Lawn Seed is the premier lawn seed product of Northrup, King & Co., who have been processing lawn seed for over sixty years. The facilities of this, the world's largest seed institution, are maintained at most modern efficiency to produce seed which gives genuine satisfaction to the planter. In blending Sterling, the ingredients have been chosen to produce a beautiful, fine textured, permanent turf suitable for the most exacting requirements. Unsurpassed for open sunny spaces. Adapted to areas of moderate shade.

Outstanding for permanence, durability, and smoothness of turf.
